The People Want Proof.

There is no medicine prescribed by physicians, or sold by Druggists, that carries such evidence of its success and superior virtue as BOSCHEE'S GERMAN SYRUP for severe Coughs, Colds settled on the Breast, Consumption, or any disease of the Throat and Lungs. A proof of that fact is that any person afflicted, can get a Sample Bottle for 10 cents and try its superior effect before buying the regular size at 75 cents. It has lately been introduced in this country from Germany, and its wonderful cures are astonishing everyone that use it. Three doses will relieve any case. Try it. Sold by A. J. Stoner, B. F. FORTY YEARS BEFORE THE PUBLIC.

DR. C. McLANE'S

CELEBRATED

LIVER PILLS,

FOR THE CURE OF

Hepatitis or Liver Complaint,

DYSPEPSIA AND SICK HEADACHE.

Symptoms of a Diseased Liver.

PAIN in the right side, under the edge of the ribs, increases on pressure; sometimes the pain is in the left side; the patient is rarely able to lie on the left side; sometimes the pain is felt under the shoulder-blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the arm. The stomach is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

AGUE AND FEVER.

DR. C. MCLANE'S LIVER PILLS, IN CASES OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with this disease to give them A FAIR TRIAL.

For all Bilious derangements, and as a simple purgative, they are unequaled.

BEWARE OF IMITATIONS.

The genuine DR. C. MCLANE'S LIVER PILLS are never sugar coated.

Every box has a red wax seal on the lid, with the impression DR. MCLANE'S LIVER PILLS.

The genuine MCLANE'S LIVER PILLS bear the signatures of C. MCLANE and FLEMING BROS. on the wrappers.

☞ Insist on your druggist or storekeeper giving you the genuine DR. C. MCLANE'S LIVER PILLS, prepared by Fleming Bros., Pittsburgh, Pa.

Sold by all respectable druggists and country storekeepers generally.

To those wishing to give DR. C. MCLANE'S LIVER PILLS a trial, we will mail post paid to any part of the United States, one box of Pills for twenty-five cents.

Physicians Cornered!

I suppose there is not in the whole of a physician's experience anything in human suffering which calls forth his sympathy and pity, to such an extent, as to witness the excruciating pains of a poor mortal suffering from the fearful disease of Rheumatism. Heretofore there has been considerable diversity of opinion among medical men as to the true character of this disease, some locating it in the fibrous or muscular tissues of the system, and others viewing it as an acute nervous disorder, but it is now generally admitted to be a disease arising from a poison circulating in the blood, and further it is admitted that rheumatism can never be thoroughly cured without exterminating such poisonous matters from the blood by a constitutional internal remedy. We feel confident that none will be better satisfied and rejoice more than the conscientious physician, who has found out that a true cure for this stubborn disease has been discovered. The following testimony from a Boston business man cannot fail to satisfy all that the

Diamond Rheumatic Cure

is a wonderful Medical Discovery.

Home Testimony

BOSTON, Jan. 1st, 1875.

PROF. ALPHONSE HILL—S:

Dear Sir—I desire to state that for the past three years I have been troubled greatly troubled with rheumatic pains; so severe was the last attack that I was compelled to remain in bed a helpless sufferer, and this is the most hurried season of my business too. A friend brought me two bottles of your valuable medicine, the DIAMOND RHEUMATIC Cure, and with pleasure I state that those two bottles affected a permanent cure upon me. Six months have since passed, and no return of this terrible disease has troubled me; I have on various occasions since recommended the DIAMOND RHEUMATIC CURE to several of my afflicted neighbors, and always with a uniform result—a certain and perfect cure in each case. I am willing to be interviewed and verbally satisfy any fellow sufferer of the truth of this statement.

Yours respectfully,
P. SHEEAN, Merchant Tailor,
83 Sudbury Street.

The discoverer of this medicine has walked the aisles of the hospitals of London and Paris for the last twenty years, making Rheumatism a specialty, and the prescription from which this remedy is compounded is all he ever used in the treatment of this disease. For the past year it has been used with perfect success and satisfaction in the hospitals of Montreal, and is recommended by the very best practitioners in that city as a safe, speedy and positive cure of either gout or rheumatism.

In simple cases sometimes one or two doses suffice. In most chronic cases it is sure to give way by the use of four or five bottles.

This medicine is for sale by all Druggists throughout the United States and Canada. If it happens that your druggist has not got it in stock ask him to send for it to

MARK THESE FACTS

The Testimony of the Whole World.

HOLLOWAY'S PILLS.

"I had no appetite: Holloway's Pills gave me a hearty one."

"Your Pills are marvellous."

"I send for another box, and keep them in the house."

"Dr. Holloway has cured my headache that was chronic."

"I gave one of your Pills to my babe for cholera morbus. The dear little thing got well in a day."

"My nausea of a morning is now cured."

"Your box of Holloway's Ointment cured me of noises in the head. I rubbed some of your Ointment behind the ears, and the noise has left."

"Send me two boxes; I want one for a poor family."

"I enclose a dollar; your price is 25 cents, but the medicine to me is worth a dollar."

"Send me five boxes of your Pills."

"Let me have three boxes of your Pills by return mail, for Chills and Fever."

I have over 200 such testimonials as these, but want of space compels me to conclude.

For Cutaneous Disorders,

And all eruptions of the skin, this Ointment is most invaluable. It does not heal externally alone, but penetrates with the most searching effects to the very root of the evil.

HOLLOWAY'S PILLS

Invariably cure the following diseases

Disorders of the Kidneys.

In all diseases affecting these organs, whether they secrete too much or too little water; or whether they be afflicted with stone or gravel, or with aches and pains settled in the loins over the regions of the kidneys, these Pills should be taken according to the printed directions, and the Ointment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief when all other means have failed.

For Stomachs Out of Order.

No medicine will so effectually improve the tone of the stomach as these Pills; they remove all acidity occasioned either by intemperance or improper diet. They reach the liver and reduce it to a healthy action; they are wonderfully efficacious in cases of spasm—in fact they never fail in curing all disorders of the liver and stomach.

HOLLOWAY'S PILLS are the best known in the world for the following diseases: Ague, Asthma, Bilious Complaints, Blotches on the skin, Bowels, Consumption, Debility, Dropsy, Dysentery, Erysipelas, Female Irregularities, Fevers of all kinds, Fits, Gout, Headache, Indigestion, Inflammation, Jaundice, Liver Complaints, Lumbago, Piles, Rheumatism, Retention of Urine, Scrofula or King's Evil, Sore throats, Stone and Gravel, Tic-Douloureux, Tumors, Ulcers, Worms of all kinds, Weakness from any cause, etc.

IMPORTANT CAUTION.

None are genuine unless the signature of J. HAYDOCK, as agent for the United States, surrounds each box of Pills and Ointment. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

**Sold at the manufactory of Professor HOLLOWAY & Co., New York, and by all respectable druggists and dealers in medicine throughout the civilized world, in boxes at 25 cents, 62 cents and $1 00 each.

☞ There is considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each box.

HAMSHER & MOSSER,
S. K. HAMSHER, J. S. MOSSER, Publishers.

DECATUR, ILLINOIS:
Tuesday Evening, December 5.

In the confusion of affairs in South Carolina it is well to remember that the report of the returning board, filed with the supreme court, shows that the Hayes electors had a majority of 800, *including* the counties of Edgefield and Laurens, and that the present racket in that locality of nullification and fire-eaters is about state affairs.

The New York *Tribune* considers General Garfield as the most available man for leader of the republicans in the house, and says. "The promotion of Messrs. Dawes and Blaine to the Senate left General Garfield not only the most prominent republican, by former committee rank, in the house, but left him at the head of one of the largest minorities congress ever saw—if its victories during the last session are remembered—by reason of ability and oratorical force."

The Peoria *Democrat* prints the following in its editorial columns, evidently endorsing the policy there marked out.

A Washington letter lays out this programme in an emergency: "If the corrupt returning boards in these disputed States persist in counting in the Hayes electors, and the Senate and Vice President disregard the protest or action of the House, and declare Hayes elected, then the House will immediately proceed to declare that there is no election by electors, and proceed to the election of a President by the House, and certify the same to Mr. Tilden, who will then proceed to sue out a writ of quo warranto from the supreme court, and under the writ get possession of the presidential office. In that case the next business in order would be to indict Grant, Chandler and those privy with them for high treason, convict and hang them accordingly."

FLORIDA.

The Cincinnati *Commercial's* Tallahassee correspondent writes under date of Dec. 2, as follows.

The democrats brought the magistrate Britton to the capital with a body guard to swear that when he administered the oath to the colored inspector of Alachua county, who retracted his impeachment of his own official return, the statement was not read over to the inspector, and that the inspector never authorized his signature to it. The magistrate refused so to swear, but said the signature was authorized and the statement was read before signing. He stated the time and place where the affidavit was taken

The democrats then tried to impeach him, but the republicans objected to discrediting their own witness.

The democrats brought this magistrate here from Alachua, four hundred miles distant, and have been boarding him here for several days. His unexpected statement produced consternation among the democrats and a sensation.

At the session of the board many of the specifications refer to illegal voting by minors, non-residents, disqualified and non-registered persons, and are not of interest.

At the evening session of the board the filing of specifications was continued. The board will hold an executive session on Sunday. An hour is to be given to each side on Monday for reading written arguments. Further proof will be heard on that day, and a decision probably will be rendered on Monday.

Over five hundred exhibits and affidavits have been filed, to say nothing of the specifications. The town is just full of witnesses from all parts of the state. The lawyers are busy preparing briefs and testimony for the final count.

Persons coming from interior towns report it dangerous for any one to hunt for evidence of democratic intimidation or frauds. I have just read the affidavits of two gentlemen who went into Manatee county to investigate democratic frauds. They were treated as suspicious characters, their credentials demanded, and were told that no one could proceed further without a certificate from the democratic state central committee, and they were required to be accompanied by one of their number.

Finding the attempt to proceed dangerous, they returned. This is a simple report, corroborated by those going to other counties.

A Tilden badge is the only shield of safety. Republicans going on such missions find it prudent to be armed, and are on the look out for waylays and mischief.

The testimony is concurrent and conclusive on all sides as to a bad state of feeling, which will not endure exasperation. A republican is not endurable.

W. M. AMPT.

The narrow guage talk has awakened the Decatur and State Line folks to a new exertion. A resurvey of this road is reported to have been made from Bremen, on the Chicago, Rock Island & Pacific Railroad through Chatsworth to Strawn, on the Chicago & Paducah Railroad by a party of engineers under John E. Blunt, chief engineer.—*Paxton Record*

LOUISIANA "BULLDOZERS."

From the Cin. Com (Independent)

An attempt is made to discredit the frightful testimony given by the black woman, Eliza Pinkston. The last story is that she is of "very bad character," which is easy to say, but the specification that seems to be important is that she would fight a buzz-saw! Judging from the woman's experience, it might have been well if she had been able to fight more effectually. Then it is said that she told, when she crawled, wounded, to the house where she was succored, that the negroes had done the deed. It is not improbable that she would tell that story. She may have been glad to seek temporary safety in lying—She did not dare to name the assassins then There are ugly facts which bear out the story she has told. She is covered with wounds. Evidently an attempt was made to murder her. Her husband and child were murdered. Great importance is attached to little mistakes of detail that the woman is said to have made. It is not astonishing that a woman whose husband and baby were murdered, while she was stabbed and chopped and shot, may be in error as to some points. The man Pinkston may have had a quarrel with another negro, and may have worsted his antagonist. His reputation was that of a bold man. He refused to be dictated to about his vote, and being a man who was not afraid, he was murdered at midnight, and the mother's cry that her baby might be spared, as it was "only one year old," was not heeded. She thought its throat was cut. A witness says the skin was merely cut off its cheeks. But it was dead! Now this was not political, we are told; and Trumbull, Palmer, and Julian, the old Abolitionists, who have to confront this witness, are disposed, after the first burst of indignation and horror, to listen to the thin stories of extenuation. But there are a great many other cases of murder that are manifestly political. Read the affidavits in our Louisiana correspondence. The policy of the bulldozers is clearly enough apparent. They rode up and down the country expressly to intimidate the colored men. They fired upon officers who were registering the names of voters They exerted themselves after the manner of the Kuklux assassins to terrify the colored people. They galloped through plantations, firing their pistols. This was done for weeks before the election, upon the calculation that the blacks would be demoralized. This was the Democratic method of canvassing in the Southern Republican States. Now they claim that as pistols were not fired at the Republicans who approached the polls on election day, there was no intimidation. But they had a book called the Book of Forgetfulness, that was displayed by the bulldozers, and when a colored man voted a Republican ticket there was a mark made and a cry of "tally," the understanding being that the voter was marked to be murdered. This was not intimidation! Now, this is the Mississippi plan, and it is some compensation for the perils and losses of a disputed Presidency, that these horrors of the swamps of Louisiana are forced upon the public attention, and that the country is made to see under the light of the investigation upon which the election turns, to understand the intolerable infamies that are being perpetrated in the name of a free election. The parishes where the outrages are proven, must be thrown out in execution of the law of the State of Louisiana, but the Republican majorities of those parishes are lost, and perhaps the State is lost with them.

THE GRAVE OF LINCOLN'S FATHER.

The Mattoon Daily *Journal* has the following:

There is rural a cemetery on a beautiful mound on the banks of the Little Cottonwood creek, about ten miles to the southeast of Mattoon, and about two miles to the west of Farmington, in this county, where rest the mortal remains of Thomas Lincoln, (father of the immortal Abraham Lincoln,) with nothing to mark the place, except a small board, placed at the head of the grave by some one, with the letters, "T. L." cut with a knife—and a stump at the foot, almost gone by the decay of time. The grave is almost obscured from sight by bushes and briars, in which condition it has been since the 17th day of January 1851, at which time the elder Mr. Lincoln was laid away with his rural neighbors in this "neglected place," where the "rude forefathers of the hamlet sleep."

The New Orleans *Republican* is of the opinion that the crisis through which the country is passing will do much to allay the silly but popular outcry against "infamous" returning boards. "Denunciation has led to investigation, and investigation has developed their necessity in the disturbed sections of the South, their utility as a guard to the purity of the ballots. We shall not be surprised if the returning board, in some form or other, becomes an approved institution in every State in the Union. New York State, especially, would be benefitted if some revisory power existed to purge its returns of the vast and decisive frauds which the Democracy roll up from the slums of New York City. Louisiana may yet receive the thanks of the nation for having instituted for its protection returning boards."

CONGRESS.

BOTH HOUSES GET UNDER WAY,

But the Democrats, as Usual Show the loven Foot,

And Refuse to Seat the Member from Colorado.

Nothing Definite from Louisiana and Florida.

WHILE THE SOUTH CAROLINA MUDDLE CONTINUES.

SENATE.

WASHINGTON, Dec. 4, 1876.

There was a smaller crowd in the senate galleries than in the house. Many democratic senators were in their seats before the body was called to order, but the republican senators being in caucus, did not occupy their seats till a few minutes before 12.

When the senate was called to order the new members were sworn in, and the two from Colorado drew for their respective terms—Chaffee secured the long term, ending 1879.

Committees were appointed to notify the president and the house that the senate was ready for business, and a recess was taken till 1 o'clock.

When the senate reassembled, Mr. Edmunds submitted a resolution instructing the elections committee, when appointed, whether the recent elections in South Carolina, Louisiana and Florida, any citizens' right to vote had been abridged or denied; also as to the ineligibility of electors. Ordered printed, and to lie on the table.

Mr. Ingalls offered a joint resolution, recommending that a convention be held in Columbus, Ohio, May next, to revise the federal constitution. Ordered printed.

The senate adjourned till to-morrow noon.

HOUSE.

The opening of the session of the house was witnessed by a large concourse of spectators. There were very few members absent. The speaker's chair was draped in mourning in respect to the memory of the late Speaker Kerr. There being, therefore, no presiding officer, the house was called to order by the clerk, Adams, who thereupon called the roll of members. Two hundred and forty-nine members were present out of two hundred and eighty-eight.

On conclusion of the roll call, Mr. Holman offered a resolution for the election of a speaker, but Banks interfered to send up credentials of the member from Colorado, that he might participate in the election of speaker. There was a dispute, the Democrats claiming the organization of the house took precedence, the Republicans claiming all elected members had a right to vote on speaker.

Mr. Frye claimed the same for the representative elected in the place of Blaine. Finally the clerk decided Holman's resolution had precedence.

Mr. Banks appealed, and on motion of Cox, the house tabled the resolution, one hundred and sixty-five to eighty-four. Holman's resolution cites the death of Kerr and consequent vacancy, and calls for a viva voce vote for speaker.

Mr. Randall was nominated by Cox, and Garfield by McCrary. Clymer, Banning, Banks, and Wilson (Iowa), were appointed tellers. The vote resulted as follows: Whole number of votes cast, 246, necessary to a choice 124. Samuel J. Randall received 161; James A. Garfield 82; scattering 3. The announcement of the result was greeted with applause from the galleries. Messrs. Cox and McCrary conducted Speaker Randall to his chair, when he read his speech from the manuscript.

After eulogizing the late speaker, Kerr, he said: We stand in the presence of events which strain and test in the last degree our forms of government. Our liberties, consecrated by so many sacrifices in the past and preserved amid rejoicings of an exultant people to our centennial anniversary as one among nations of the earth, must be maintained at every hazard. [Applause.] The people look confidently to your moderation, to your patient, calm, firm judgment and wisdom, in this time fraught with so many perils. Let us not, I beseech of you, disappoint their just expectations and their keen sense of right, but by vigilance prevent even the slightest departure from the constitution and law, forgetting in the moment of difficulty that we are adherents of a party, and only remembering that we are American citizens, with a country to save, which will be lost if unauthorized and unconstitutional acts on the part of the executive officers be not frowned down, at once, with relentless and unsparing condemnation.

The closing words were delivered with great force and emphasis, and were loudly applauded on the floor and in the galleries. The oath of office was then administered to the speaker by Holman who, in the absence of Kellogg, is the oldest member in consecutive service. The speaker then administered the oath of office to Stephens (Georgia), who had not presented himself last session, and who remained in his seat while he took the oath.

The following new members elected to fill vacancies were sworn in: Warner, (Connecticut), Frye (Maine), Humphrey and Carr (Indiana), Stanton (Pennsylvania). Objection was made to swearing in of Buttz (South Carolina) and Belford (Colorado).

In relation to the latter, Springer (Illinois) offered a resolution instructing the Judiciary committee to inquire and report at as early a day as possible, whether Colorado is a state in the Union, and directing until such report is received, no person claiming to be a representative from Colorado, shall be sworn in as a member.

Mr. Banks argued in favor of the immediate swearing in of the member from Colorado, and sent to the clerk's desk and had read the proclamation of the president, in compliance with the law declaring Colorado a state in the Union.

Mr. Hoar characterized Springer's proposition as utterly idle and futile, and pointed to facts of history, that the territorial government of Colorado has ended, and that the state government has taken its place, and that the senator from that state had already taken their seats.

Mr. Hurlbut argued similarly, and held that there would be as much right to challenge the state of Illinois as that of Colorado.

Mr. Wood argued that as the house had unquestioned right to inquire into the election of its members. When congress adjourned, Colorado was a territory, and it was the right and duty of the house to enquire whether it had been converted into a state in pursuance of the constitution and laws.

Mr. Springer defended his resolution, declaring that delay in admitting the member would not do injustice to Colorado. Springer's motion referring the credentials of the Colorado member to the judiciary committe was adopted—142 to 58 republicans voting against, as also Blount, Cox, Durham, Harzman, Holman, Kehr, LeMoyne, Morgan, West, O'Brien, Rea, Savage, Stevenson, Watterson and Wells, democrats.

Mr. McCreary presented the credentials of Buttz (South Carolina;) Objection was made and the house was about to adjourn by agreement, when Hewitt offered a resolution providing for the appointment of three special committees, one of fifteen members to go to Louisiana, one of six to go to Florida, and one of nine for South Carolina, to investigate the action of the returning boards, also to report all the facts essential to an honest return of the electoral votes, and whether their electoral vote should be counted, the committee being empowered to send for persons and papers, appoint sub-committees, clerks, etc.

Mr. Morrison presented a memorial and protest signed by the citizens of the district, against the admission of Buttz, and moved the reference of the question to the election committee. Adopted 142 to 89.

Mr. Hewitt then asked unanimous consent to offer his resolution for three select committees.

Objections being made, Mr. Hewitt moved to adopt the resolution under the suspension of the rules.

The speaker overruled the technical objections which were made, that the morning hour had not yet expired.

Mr. Kasson appealed from the decision. The appeal was put in writing. It claimed the decision was in violation of the rules of the house, and argued in support of his resolution.

The house, by a vote of 144 to 73, voted to table Mr. Kasson's appeal.

Mr. Hewitt's motion to suspend the rules and adopt his resolution being in order, Mr. Kasson suggested it be modified to apply to federal officers.

Messrs. Hewitt, Cox, Blackburn and other democrats objected, and Mr. Hewitt's motion was adopted—156 to 78. The announcement was loudly applauded by the democrats.

Messrs. Bagley (New York), Pierce and Seely voted with the democrats.

The committee to join the senate committee to notify the president that congress was prepared to receive any communication, was ordered, and Wood, Clymer and Hoar were appointed.

The speaker appointed as the South Carolina committee, Sayler, Abbott, Herger, Eden, Jones (Kentucky), Phillips (Missouri), Banks, Hale and and Lawrence.

Mr. Hoar having announced Hale could not leave, the speaker appointed Willard (Michigan), who asked to be excused and Lapham (New York) was appointed.

The house, at 7:30, adjourned.

OMAHA, Dec. 4—Counsel for republican electors to-day asked Judge Savage to put the case wherein the democratic electors petition for an injunction to prevent the former from casting their votes, over till to-morrow morning, but the judge decided he would hold a night session. Counsel then put a demurrer, and are arguing it to-night, quoting authorities to show that the petition is not a perfect one, and that the court has no jurisdiction in the matter.

SAN FRANCISCO, Dec. 4—The official vote of Oregon, gives the republicans 1,160 majority. Prominent democrats have filed a petition against the issuance of a certificate to Watts, and in favor of giving it to the next highest on file. The governor gave notice that he would hear argument to-morrow.

The Handsomest invoice of genuine cameo and amethyst finger rings, of the latest styles out, at J. L. Knieper's, 24 Merchant street [Nov 29 dtf

COLUMBIA, Dec. 4.—After the two houses were called to order, Speaker Wallace announced that as there were one hundred special constables in the state house to eject democratic members, and as he feared such movement would be resisted and blood shed would ensue, he adjourned his house to meet at Carolina Hall, where they are now in session. The republicans then went into the state.

The democratic house continued in caucus all the afternoon. Whatever action was taken is unknown.

The republican members of the senate held a caucus, which was not harmonious, and lasted until 1 p m, when the session met. The session was unimportant until just before 2 o'clock it was moved that the senate adjourn. The motion was carried. This action is regarded as important, as 2 o'clock was the hour set for counting the vote for governor, and as the senate adjourned without considering that question or postponing it to some future day, it is virtually disposed of in that body, and must originate in the house to come up again. The city is full of people. The supreme court heard argument during the entire day on the application for a mandamus requiring the secretary of state to deliver returns for governor and lieutenant governor to Speaker Wallace, and adjourned at 7.30 until to-morrow at 11. The action of the court is looked forward to with anxiety.

NEW YORK, Dec. 4.—The Evening Post has a dispatch from Boston in reference to the report which has gained some current, that the article in last week's Nation in regard to the duty of the republican electors, has the approval of Prof. James Russell Lowell, one of the republican electors of Massachusetts. Mr. Lowell says he never wrote a leader for the Nation, and had nothing to do with its article on electors. His decision as to his own duty had he reached three weeks ago, and it had never changed, namely, that he must vote according to the understanding on which he was chosen by the people. He might wish it were otherwise. If he were an ambitious man, he might, he said, cast his vote for some other person than Hayes, but for an honest man there could be no evasion of an elector's duty to vote according to the understanding at the time he was nominated. What may have happened since is none of his business. As to whether fraud has been, or was to be, practiced, in the disputed southern states, Professor Lowell said that he didn't think any man a 1,000 miles away was competent to judge.

A number of incendiary documents are in circulation, coming from the same source in New York from whence eminated those fat packages of editorials and extracts that were sent out every week to the democratic and independent press during the campaign. One, in particular, in which a labored attempt is made to prove Tilden to be America's "Man of Destiny,"—the great need of the nation; which, if it was not for the utter silliness of the claim, might well be regarded as a thing designed to influence the mind of of the masses. The mind that conceived and brought forth that "Destiny" document must have imagined that he was writing to deceive a nation of idiots.

DECATUR, ILLINOIS:

Tuesday Evening, December 5

CITY INTELLIGENCE.

..We expect to know to-morrow who is elected.

..Police business is still quiet, which fact is creditable to the city.

..We understand arrangements are in progress for some tying up between now and the holidays—that is, matrimonially.

..H. Post has a full and complete assortment of watches, chains and jewelry, suitable for holiday presents.

..J. P. Marsh is the veteran boot maker. No matter how the election turns, he is bound to give the people fits

..J. McCreary serves up the nobbiest warm meals and lunch that are to be found in the city. Call and see him.

..We have yet to see the first man who has had a ride on the Decatur street cars

..Tramps seem to be giving Decatur the go-by at present, an arrangement to which decent people have no objection.

..The city is full of people in attendance upon the circuit court

..Choice cucumber pickles, by the dozen or gallon, at Billy Niedermyer's.

..Choice new sugar-cured ham at Imboden's

..The best five cent cigars at Niedermyer's, near the mound.

..The genuine "Fast Mail" fine cut at Newell & Hammer's.

..Fresh eggs and choice dairy butter, at Bendure & Co.'s.

..D. M. Barnett is noted for keeping choice fresh groceries and provisions, and also for selling at hardpan figures—Try him once, and you will not regret it.

..Be careful of your fires, clean out your flues, and be cautious in the use of kerosene.

..We have no information that ice packers have as yet commenced gathering a supply, though we understand that at several points along the river where there is not much current, the ice is nearly or quite six inches thick.

..Finer winter weather than we are now having would be hard to find, and we are willing to have a continuance of the same kind for several weeks to come

..Warm meals and lunch served at all hours at J. J. Drake's Opera Block Restaurant. oc9 dtf

..The city schools will have a vacation of two weeks during the holidays.

..Mr. Willis Pope, of Blue Mound township, is disposing of his property preparatory to moving to Kansas. Mr. Pope has been a resident of this county for more than twenty years, but we hope that he may realize no detriment from his change of base.

Hon. W. T. Moffett, member-elect of the State Board of Equalization, L. R. Morse, Esq., chairman of the Board of Supervisors, and A. G. Benton, Esq., of Maroa, called at the REPUBLICAN office this forenoon. The Presidential question was of course the topic of discussion.

..An exchange in speaking of mince pies and dyspepsia stalking abroad in the community, implores that the mince pie part of the procession may "stalk" toward the editor's domicil.

..During the late cold nights several people have been inconvenienced by the freezing of their water pipes. A little attention to this matter will save a deal of trouble.

..Judge Smith is giving business a lively turn in the circuit court

..'Lay on Macduff, and damed be he that first cries 'hold, enough!'" shouted the usurper, Macbeth, according to the veracious Shakspeare. Had this been in the days of B. T. Babbitt's Best Soap, Macbeth would have been less boastful, for he would have feared the increased strenth of the insurgent chief. Nothing like this soap to stimulate nerve and muscle.

..The Champaign *Times* says the young ladies of that city will make discrimination in favor of the young men who are the best patrons of the free library, and calls them *sensible* girls—Well, that depends. Now, if the young folks of that city go to the city library for the same purpose that *some* of this city do, there had better be an additional room provided, for it is unpleasant to sparkers to be annoyed by persons reading. None of those who go there to giggle, laugh, and talk secrets—out loud—have made any complaints, but readers have spoken of it, and so has one of the directors. They are gentlemen who are interested in having people enjoy themselves, and no doubt they feel very badly that these promising, sensible young men and ladies can't have a room to themselves.

The following reference to two former citizens of this county, which we clip from a Kansas paper, will be read with interest by the numerous acquaintances of those gentlemen in this section of country:

J. & J. H. McCartney are at Fort Scott after their sheep. They will drive 2,000 from there to their ranch, two miles west of Colony.

The above is from the Garnett *Plaindealer*, and we give below a paragraph relating to the same gentlemen from the Olathe *Mirror:*

Mr. J. McCartney and his brother, Major McCartney, are at present engaged in establishing a sheep ranch in Anderson county, 18 miles south of Garnett. They have seven or eight hundred head of sheep now and intend to increase the number to two thousand by spring. They go to that locality on account of extensive range, and will doubtless make a handsome per cent in profits.

CIRCUIT COURT.

December Term, 1876.

MONDAY, DEC. 4.

Court convened at 1 o'clock P. M. Judge C. B. Smith presiding

The following gentlemen were called and sworn as grand jurors:

Wm. L. Hammer, foreman, Wm. Sawyer, Sr, W. H. Bramble, James Litchtenbarger, David Patterson, Isaac Paeper, Hamilton McCoy, William Taylor, M. H. Carmean, James T. Baker, Abram Long, R. E. Andrews, James Dingman, W. B. Stringer, James Beard, John H. Childs, John Ward, Alexander Brett, Fred Neintker, James Hunter, Silas Livergood, B. F. Dodson, S. M. Brewer, Samuel Cunningham

The following is the list of petit jurors for the first two weeks

Same vs. — McNaman, selling liquor without license, Continued

Same vs. Charles Buford, larceny. Defendant defaulted.

Change of Venue.—R. N. Crafton, (or "Newt," as he is known by many of our prominent citizens), of Taylorville, who killed E. B. Duff in John Kellar's saloon in that place, in April, 1875, was brought here yesterday on a change of venue. The case, as we remember it was that "Newt" was on a bit of a spree, and Duff, who was also "on it," entered the saloon, and was asked to "set them up," and not replying as desired, some words passed, when it is claimed that Duff made an attack on Crafton, whereupon he drew a knife and struck the fatal blow. The prisoner, in 1860-'69, was deputy sheriff of Sangamon county, and had lived in Sangamon and Christian counties for ten years past, married in Taylorville; is a man of an excellent education, and hitherto much respected. Mr. Crafton is a very intelligent and fine looking personage, and his acquaintances here, among whom are several college chums, speak of him as a genial, whole-souled fellow.

PERSONAL MENTION.

Mr. George R. Fox, of Harrisburg, Pa., a young man twenty-two years of age, who is only four feet five inches in height, and weighs only one hundred and five pounds, is in town on a visit to his friend, Mr. John Staufer

Mr. S. D. Lilleston, formerly of this city, now of Maysville, Ky., is in town

Grand Ball.—The Concordia Club will give a grand ball in their hall, on Wednesday evening, Dec 13. Members and their friends are cordially invited.
THE COMMITTEE.
Dec 5 8d

Good Templars' Sociable.—It is with pleasure that we announce that the Good Templars of this city are to hold a Sociable on this coming Thursday evening, which will be the first of a series of monthly gatherings to be held during the winter and spring, as they have done in the past, for the mutual benefit and advancement of the cause, socially. A pleasant time is anticipated. The public are cordially invited to attend, and attest by their presence the interest manifested in a just cause.

A Conundrum.—A lady asks "Why is it that when men come out of a saloon they look one way and go another?" If any fellow wants to "rise and explain" the columns of the REPUBLICAN are open to him for that purpose. Our opinion is that there are chaps in town who know.

Attention, Neptune Hose Co.—The regular monthly meeting of this company will take place this (Tuesday) evening. All members are requested to attend. By order of the Foreman.
A. W. CHENOWETH, Sec

Bakes Perfectly.—The Charter Oak Cook Stove, now in my kitchen, has been used ten years. It bakes perfectly, with less fuel than any stove that I know of; is perfectly clean, no dust or ashes escape into the room, and I cheerfully recommend it to any housekeeper wanting a first rate stove.

Game.—John Carrigan and party left on the early morning train on the St Louis road on a hunting expedition.—They returned last night, having a car load of rabbits, and about eighty dozen quail, which can be found on sale at Wm. Conklin's Green Grocery, on Prairie street

TRUSTEE'S SALE.

WHEREAS, John A. Bohrer, of Decatur, Illinois, did, upon the 24th day of February, A. D. 1876, execute to the Savings Fund, Building and Loan Association, of Decatur, Illinois, his one certain obligation, under seal, for the sum of two thousand dollars for money loaned him by said Association under the charter and by-laws of the same, upon twenty shares of stock in said Association, then owned by him the said John A. Bohrer, and then and there obligated himself to pay ten dollars monthly dues upon said shares of stock, and fifteen dollars monthly upon said loan; and also agreed that, in the event of any default in the payment of the monthly installments of dues and interest for the period of six months, then the whole principal debt should, at the option of said Association, become due and payable immediately, and the payment of said principal sum and all interest, as well as dues thereon, be enforced and recovered without the necessity of demand for payment;

And whereas, the said John A. Bohrer, and Abbie, his wife, for the better securing of the payment of the aforesaid obligation, and in consideration of a greater sum of money having been loaned to John A. Bohrer upon the security hereinafter described than upon any mortgage deed; and in the further consideration of one dollar, to them in hand paid, did by their trust deed, duly signed, sealed, acknowledged and delivered to the undersigned in trust on the 24th day of February, A. D. 1876, convey to the undersigned the following described lands and premises, situated in the county of Macon and State of Illinois, described as follows, to-wit: Commencing sixty (60) feet north of the northwest corner of lot twenty-five (25), in block one (1), of Durfee, Warren & Co's First Addition to the city of Decatur, and running thence east sixty (60) feet, thence north one hundred and fifty-four (154) feet, thence west sixty (60) feet, thence south one hundred and fifty-four (154) feet to the place of beginning, being in the southwest quarter of the southwest quarter of section 11, town 16 north, and range 2 east of the third principal meridian; which said trust deed is duly recorded in Book 63, page 46, of the records of Macon county;

And whereas, it is expressly provided in, and by said trust deed, that in the event of any default by said John A. Bohrer, upon his obligation aforesaid as therein stipulated; and in the further event that the Savings Fund, Building and Loan Association, of Decatur, Illinois, by its President or Secretary, should make application for proceedings under the terms of said trust, it should and might be lawful for the undersigned, or his attorney or successor in trust, after publishing notice for the sale of said premises in some newspaper published in the city of Decatur, for the term of four weeks, prior to the day of said sale, to sell the above described premises, together with the right of homestead and all the right and equity of redemption of the said John A. Bohrer, and Abbie, his wife, at the time and place to be specified in said notice of sale, to the highest bidder for cash—which sale might be adjourned from time to time as should be deemed expedient by the undersigned, his attorney, or successor in trust, by public proclamation or otherwise, personal notice to said grantors in said deed being expressly waived, and the undersigned expressly authorized and empowered to make, execute and deliver to the purchaser or purchasers thereof a deed or deeds for the premises sold, and out of the proceeds of such sale or sales, after first paying commissions and costs incurred in advertising and selling said premises and all other expenses of this trust, including all money advanced for insurance and taxes on said premises, with interest thereon at ten per cent. per annum, should pay the full amount of the principal, dues, interest and fines named in said obligation remaining unpaid at the time of such sale to the legal holder or holders thereof, rendering the overplus, if any, to the said grantors or their assigns;

And whereas, default has been made in the payment of the monthly installment of dues and interest, as provided in said obligation, for the period of six months; and the said Association has chosen to declare the whole principal debt due and payable immediately, and to enforce the payment of the said principal sum, together with the dues upon said shares of stock and the fines imposed under the law of said Association; and the said Savings Fund, Building and Loan Association, of Decatur, Illinois, by its Secretary, has made application for proceedings under this trust;

Now, therefore, public notice is hereby given that the undersigned, as such trustee, will,

On Tuesday, the second day of January, A. D. 1877,

at the hour of two o'clock p. m. of said day, at the west door of the Court House, in the city of Decatur, county of Macon and State of Illinois, sell at public auction to the highest and best bidder, for cash in hand, the premises hereinbefore described, and all right, title, benefit and equity of redemption of said John A. Bohrer, and Abbie, his wife, their heirs and assigns therein.

The ARABIAN MILK CURE strengthens the weak lungs, promotes expectoration, dissolves the mucous phelgm, and assists nature in throwing off the unhealthy matter, causing the irritation, and thus consumption may be cured.

MANUFACTURE AND SELL

MERRILL & BARTLETT'S

Water-Purifying

Rubber Bucket Chain Pump,

And is prepared to furnish said Chain Pumps on short notice.

The advantages of this Pump over many others are many. The Chain being buttonless, it is much lighter, consequently it is not liable to break, and works much easier. The RUBBER BUCKETS which are attached to the Chain will not wear the Tubing, consequently it will last longer than when Metal Buttons are used. It is, positively, ANTI-FREEZING. It is a positive WATER PURIFIER, as each Bucket is constructed with an AIR CHAMBER, which carries a given quantity of pure air into the water, which immediately diffuses through the entire body of water, purifying and cleaning, and rendering it fit for use.
